6 Hageula Street
Hod Hasharon, IL 4527206

Dear Mr. Friedman:

"It is with your generosity that Sharsheret is able to support, inspire, educate, navigate, and embrace one woman at a time. I want you to know that you are the true Sharsheret. The chain that we've created."

- Rochelle L. Shoretz, Founder

These are challenging times and the impact of Covid-19 has been especially difficult for women and families facing a cancer diagnosis.

Hebrew for "chain", Sharsheret provides women and families with culturally-relevant support, from before diagnosis through treatment and beyond. At Sharsheret, we know that a cancer diagnosis affects the entire family. Whether the diagnosis is early or later stage, we offer free and compassionate mental health counseling, financial subsidies and cancer education programs for those affected by cancer, their partners, children, parents, and friends. With your critical support, Sharsheret will continue to grow its life-enhancing programs and resources for thousands of young women and families facing breast cancer and ovarian cancer.

With deep gratitude, we join the women and families of Sharsheret in wishing you and your family continued good health.

Sincerely,

Elana Silber
Chief Executive Officer
